## **NWSMU N.A. I.I. MECHNIKOV**

NWSMU named after I.I. Mechnikov dates back to 1896 – from the founding of the first institution in Russia for advanced medical training – the Imperial Clinical Institute of the Grand Duchess Elena Pavlovna.

For 125 years, our University has been carrying out educational, clinical and research activities – education, medical practice, research and development allow us to train specialists with modern knowledge and practical experience.
